The following walkthrough will guide you through the main story of Deathloop.

Prologue

The game begins with Colt waking up on the beach of Blackreef. He is greeted by Julianna Blake, a rival assassin who is also trapped in the time loop. Julianna explains that Colt must assassinate eight targets before the day resets, or he will be forced to start over.

Colt sets out to find his first target, Aleksis Dorsey. He infiltrates Dorsey's mansion and assassinates him. However, before Colt can escape, Julianna appears and kills him.

Colt wakes up on the beach again, and the time loop resets.

Colt defeats Julianna and breaks the time loop. He is finally free to leave Blackreef.
