Konik's journey begins with a simple question: why do we exist? He sets out to find the answer by exploring the natural world, from the rainforests of Costa Rica to the deserts of Arizona. Along the way, he encounters a diverse cast of characters, including scientists, philosophers, and spiritual teachers. Each encounter helps him to deepen his understanding of the natural world and the human condition.

Konik's writing is both personal and universal. He shares his own experiences and insights, but he also draws on the wisdom of others to explore the big questions of life. The result is a book that is both thought-provoking and deeply moving.

*In Search Of Burningbush* is a book that will stay with you long after you finish it. Konik's writing is beautiful and his insights are profound. This book is a must-read for anyone who is searching for meaning and purpose in their life.
