

# Kids on the March: The Inspiring Story of a Group of Young Activists Who Changed the World

Kids on the March tells the inspiring story of a group of young activists who changed the world. From the civil rights movement to the fight for environmental justice, these kids stood up for what they believed in and made a difference. Their story is an inspiration to us all, and it shows that even young people can make a big impact on the world.

The book is divided into four parts, each of which focuses on a different group of young activists. The first part tells the story of the Little Rock Nine, a group of African American students who integrated Central High School in Little Rock, Arkansas, in 1957. The second part tells the story of the Student Nonviolent Coordinating Committee (SNCC), a group of young activists who played a key role in the civil rights movement. The third part tells the story of the Children's Crusade, a group of young people who marched from Birmingham, Alabama, to Washington, D.C., in 1963 to demand an end to segregation.
