One of the things that makes *Love Story* so memorable is its setting. The novel is set against the backdrop of Radcliffe College and Harvard University, and it features several scenes that take place in the libraries of these two institutions.

The libraries of Radcliffe College and Harvard University are more than just places where students go to study. They are also beautiful and historic buildings that are home to some of the world's most valuable collections of books and manuscripts.

In this article, we will take a tour of the libraries featured in *Love Story*. We will learn about the history of these libraries, and we will see some of the treasures that they hold.

## **Radcliffe College Library**

Radcliffe College Library was founded in 1885. The library is located on the campus of Radcliffe College in Cambridge, Massachusetts. The library's collection includes over 1 million volumes, and it is strong in the areas of literature, history, and the arts.

One of the most famous items in the Radcliffe College Library collection is the Sylvia Plath Collection. This collection includes Plath's manuscripts, letters, and other personal papers. The collection is a valuable resource for scholars who are studying Plath's life and work.

Another highlight of the Radcliffe College Library collection is the Anne Sexton Collection. This collection includes Sexton's manuscripts, letters, and other personal papers. The collection is a valuable resource for scholars who are studying Sexton's life and work.

## **Harvard University Library**

Harvard University Library is one of the largest and most prestigious libraries in the world. The library's collection includes over 18 million volumes, and it is strong in all areas of knowledge.

One of the most famous items in the Harvard University Library collection is the Gutenberg Bible. This is one of the first books ever printed using movable type. The Gutenberg Bible is a priceless treasure, and it is one of the most important books in the world.

Another highlight of the Harvard University Library collection is the Shakespeare First Folio. This is the first collected edition of Shakespeare's plays. The First Folio is a priceless treasure, and it is one of the most important books in English literature.

## **Libraries in Love Story**

The libraries of Radcliffe College and Harvard University play an important role in *Love Story*. The main characters, Oliver Barrett IV and Jenny Cavilleri, often meet in the libraries to study and talk. The libraries are also places where Oliver and Jenny share their love of literature and music.

In one of the most famous scenes in the novel, Oliver and Jenny are studying in the Widener Library at Harvard University. Oliver is reading a book of poetry, and Jenny is reading a book of prose. Oliver starts to read a poem out loud, and Jenny joins in. They continue to read the poem together, and they share a kiss.

The libraries of Radcliffe College and Harvard University are more than just places where students go to study. They are also places where love stories can happen.

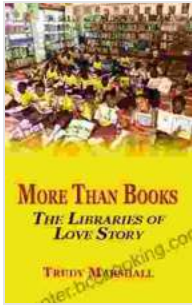

The libraries of Radcliffe College and Harvard University are beautiful and historic buildings that are home to some of the world's most valuable collections of books and manuscripts. These libraries play an important role in *Love Story*, and they are a reminder of the power of love.
