Donning a mask and armed with an arsenal of weapons, Jack becomes the vigilante known as the Oath of Vengeance. He stalks the city's underbelly, targeting criminals and those who escape the reach of the law. As he wages his one-man war on crime, Jack attracts both allies and enemies. He forms an uneasy alliance with a brilliant but troubled hacker named Anya, who provides him with vital intelligence. But he also draws the attention of Detective Maria Rodriguez, a determined and resourceful cop who is determined to bring him to justice.

As Jack's body count rises, so does the public's fascination with the vigilante. Some see him as a hero, a necessary evil in a city plagued by crime. Others condemn his actions as vigilantism, a dangerous and lawless

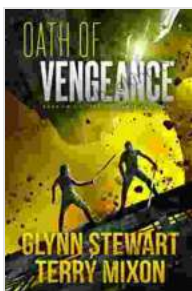

path. But Jack is undeterred. He knows that the only way to find justice for his family is to continue his relentless pursuit of those who wronged him.

But as Jack delves deeper into the city's criminal underworld, he uncovers a web of corruption and conspiracy that reaches the highest levels of power. He soon realizes that the people he is targeting are not just common criminals, but part of a far-reaching and sinister organization.

With his life and the lives of those he loves hanging in the balance, Jack must confront the true nature of justice. Can he maintain his oath of vengeance without becoming a monster himself? Or will the darkness he seeks to destroy consume him?

Oath of Vengeance Vigilante is a gripping and thought-provoking thriller that explores the complex themes of justice, revenge, and redemption. With its fast-paced action, well-developed characters, and twisty plot, it is a novel that will keep you on the edge of your seat from beginning to end.
