A raw and intimate exploration of identity, trauma, and resilience, 'Places I've Taken My Body' takes readers on a profound journey through the complexities of the human experience. These unflinching essays grapple with the scars of abuse, mental illness, and loss, while also celebrating the transformative power of love, healing, and self-discovery.

With unflinching honesty and lyrical prose, the author weaves personal narratives with insights from psychology, literature, and philosophy, creating a tapestry that is both deeply affecting and illuminating. Through stories of pain, growth, and resilience, 'Places I've Taken My Body' invites readers to confront their own experiences, embrace their own bodies, and discover the strength within themselves.
