### **Here are a few excerpts from the book:**

"I've learned that there are two kinds of bird hunters: those who hunt to kill birds, and those who hunt to have fun. I'm definitely in the latter category. I love the challenge of finding and retrieving birds, but I also enjoy the camaraderie of hunting with friends and the simple pleasure of being outdoors." - Patrick F. McManus

"A good bird dog is worth his weight in gold. He's your partner in the field, and he can make all the difference between a successful hunt and a frustrating one. I've been fortunate to have some great bird dogs over the

years, and I've learned a lot from them. They've taught me about patience, perseverance, and the importance of teamwork." - Patrick F. McManus

"Hunting is more than just killing animals. It's about spending time outdoors, enjoying the camaraderie of friends, and appreciating the beauty of nature. It's about creating memories that will last a lifetime." - Patrick F. McManus

If you're looking for a book that will make you laugh, make you think, and make you appreciate the simple pleasures of life, then I highly recommend *Short Stories From Traveling Bird Hunter Endless October Bird Dogs And Bird Hunting*. It's a book that you'll enjoy reading again and again.
