Pinsker's book is a powerful and moving read. It is a reminder of the countless women who have been forgotten by history, and a celebration of the women who have fought to be remembered. It is a must-read for anyone who wants to learn more about the untold stories of women.

Here are just a few of the women whose stories are told in *Sooner Or Later Everything Falls Into The Sea*:

- **Ada Lovelace** was a mathematician and computer programmer who is considered to be the first computer programmer. She was the daughter of the poet Lord Byron, and she worked with Charles Babbage on his Difference Engine. Lovelace's work was instrumental in the development of the modern computer.
- **Elizabeth Freeman** was an enslaved African American woman who won her freedom in a court case. Freeman was born into slavery in New York, and she was eventually sold to a wealthy family in Massachusetts. Freeman worked as a domestic servant for the family, and she was eventually freed after she won a court case against her enslavers.
- **Sarah Baartman** was a South African woman who was exhibited in Europe as a "Hottentot Venus." Baartman was born in South Africa, and she was brought to Europe by a slave trader. She was exhibited in freak shows and circuses, and she was subjected to scientific racism.
- **Nellie Bly** was a journalist who went undercover to expose the conditions in insane asylums. Bly was born in Pennsylvania, and she began her career as a journalist at the age of 18. She went undercover to expose the conditions in insane asylums, and her work led to reforms in the mental health system.
- **Rosalind Franklin** was a chemist and X-ray crystallographer who made significant contributions to the discovery of the structure of DNA. Franklin was born in England, and she began her career as a research scientist at the age of 23. She worked on the structure of DNA with Maurice Wilkins, and her work was essential to the discovery of the double helix.

These are just a few of the many women whose stories are told in *Sooner Or Later Everything Falls Into The Sea*. Pinsker's book is a powerful and moving read, and it is a must-read for anyone who wants to learn more about the untold stories of women.
