

# The Intrusive State: How It's Hurting Us and What We Can Do About It

In the past few decades, the American government has become increasingly intrusive in our lives. This is not simply a matter of higher taxes or more regulations. The government is now reaching into our homes, our businesses, and our personal lives in ways that would have been unthinkable just a few years ago.

## India's Big Government: The Intrusive State & How It's Hurting Us by Vivek Kaul

This intrusion is not just a violation of our privacy. It is also a threat to our freedom. When the government has the power to monitor our every move, it can use that power to control us.

The Intrusive State is a powerful and timely book that exposes the dangers of government overreach and offers a roadmap for restoring our freedoms.

In this book, author Joel Pollak argues that the intrusive state is not simply a matter of a few bad laws or policies. It is a systemic problem that has been growing for decades.

Pollak shows how the intrusive state has eroded our privacy, our freedom, and our economic prosperity. He also shows how it has made us more vulnerable to terrorism and other threats.

The Intrusive State is a must-read for anyone who is concerned about the future of our country. It is a call to action for all Americans who believe in freedom and limited government.

### **What's Inside The Intrusive State**

- A comprehensive overview of the history of government overreach in the United States
- An analysis of the current state of the intrusive state and its impact on our lives
