With its colorful illustrations, engaging activities, and interactive format, Habsun Learning For All Juniors Alphabets II will keep your child entertained for hours on end. The book features:

- **Uppercase and lowercase letters:** Your child will learn to recognize both uppercase and lowercase letters, which is an essential skill for early literacy.
- **Phonics:** Each letter is accompanied by a simple word that begins with that letter, helping your child to associate sounds with letters.
- **Tracing:** The book includes tracing activities that help your child to develop their fine motor skills and learn to write the letters of the alphabet.
- **Matching:** Your child will have fun matching uppercase and lowercase letters, as well as pictures of objects to their corresponding letters.
- **Interactive flaps:** The book's interactive flaps reveal additional information about each letter, such as the letter's sound, a picture of an object that begins with that letter, and a tracing activity.

Habsun Learning For All Juniors Alphabets II is the perfect book for toddlers and young children who are just starting to learn the alphabet. With its engaging activities, colorful illustrations, and interactive format, this book will help your child to learn the letters of the alphabet, develop their fine motor skills, and foster a love of reading.
