In the heart of the Enlightenment, the legendary philosopher Voltaire finds himself entangled in a whirlwind of love and intellectual pursuits in 'Voltaire

in Love,' a captivating novel that blends historical fiction, philosophy, and romance.

Step into the vibrant world of 18th-century France, where Voltaire's sharp wit and unwavering belief in reason clash with the passionate love he feels for the enigmatic Émilie du Châtelet. Their affair becomes a crucible of ideas and emotions, testing the boundaries of love, philosophy, and societal conventions.

As their bond deepens, Voltaire and Émilie find themselves at the center of a glittering intellectual circle that includes Frederick the Great, Madame de Pompadour, and other luminaries of the age. Together, they engage in lively debates on science, politics, and the nature of human existence.

Through the eyes of Voltaire, we witness the triumphs and tribulations of the Enlightenment, a time of both great progress and upheaval. The novel paints a vivid portrait of a society grappling with the forces of change, where reason and tradition collide.

'Voltaire in Love' is not merely a historical romance; it is a profound meditation on the nature of love, the pursuit of knowledge, and the human condition. Voltaire's witty observations and philosophical musings resonate with timeless relevance, reminding us of the eternal quest for enlightenment and the enduring power of love.

This New York Review Classics edition of 'Voltaire in Love' features insightful essays by renowned scholars that illuminate the novel's historical and literary significance. The by Ian Davidson provides a comprehensive overview of Voltaire's life and times, setting the stage for the novel's exploration of love, philosophy, and the Enlightenment.
