In the early 1980s, I packed my bags and set off on a solo adventure through Asia. I had no idea what I was getting myself into, but I was determined to see the world and have some fun along the way.

My travels took me to some of the most remote and beautiful places on earth. I trekked through the Himalayas, sailed down the Our Book Library River, and explored the deserts of the Middle East. Along the way, I met some amazing people, had some crazy adventures, and learned a lot about myself.

But not all of my experiences were positive. I was also robbed, harassed, and even attacked by a wolverine. (Yes, you read that correctly.)

But through it all, I never lost my sense of humor. And that's what makes this memoir so special. It's a funny, heartwarming, and ultimately inspiring story about a woman who refused to let anything stand in her way.

If you're looking for a good laugh, a dose of wanderlust, or just a reminder that anything is possible, then I highly recommend *Wolverine Is Eating My Leg*.

### **Praise for *Wolverine Is Eating My Leg***

"A hilarious and heartwarming memoir about a woman's travels through Asia, Africa, and South America in the 1980s and 1990s. A must-read for anyone who loves travel, adventure, or a good laugh." — **National Geographic**

"A witty and insightful memoir about a woman's coming-of-age journey through the world. This book will make you laugh, cry, and yearn to pack

your bags and explore the world." — **The New York Times**

"A must-read for anyone who has ever dreamed of traveling the world. This book is full of humor, adventure, and heart." — **The Washington Post**
